May Meeting Recap

Our pot luck and auction was a lot of fun. There was an abundance of good food, with a lot of fried chicken and a variety of side dishes as well scrumptious desserts. the only thing missing was the plants for the auction due to a miss communication by the president. It was fun to watch the interaction of our members as they shared with each other. It is obvious that our membership contains some very good cooks. Even though the plants never arrived for the auction, the evening was an enjoyable time to spend with our orchid friends, All in all we had a good time, with a lot of ribbing at the president. There was even murmurs of impeachment or burning at the stake but we were all full of fried chicken and good food so the stakes were dropped. The best part was that everyone saved money and had a good time. For those who were not able to attend, we missed you and hope you will be able to join us at our next meeting or some time soon.

Next Month

July and August we do not meet...
 This is the time when a lot of our members travel on vacation so we as a club take a Summer brake.
 We look forward to seeing you in September, when our guest speaker will be Kevin Hill.

Help Wanted

Our Society has need of a newsletter editor. After numerous complaints of the newsletter not being out on time, misspelled words, and too many pictures, the president has asked the newsletter editor to step down. If you would like to take on this job, let the president know.
